## Meredith College Hosts Virtual CSA Day

Celebrating Student Achievement Day, otherwise known as CSA Day, is a well-known Meredith College annual event for undergraduate students. On CSA Day, Meredith community and guests celebrate a year of academic research accomplishments by students. In the past, this has included a research conference, awards ceremonies, music and dance performances, art and design exhibits, and panel discussions. Although Covid-19 moved students off campus for the remaining of the spring semester, CSA Day still happened. Thanks to the creation of a special YouTube page for CSA Day, students were still able to present their research and participate in the CSA festivities. The YouTube page featured presentations in categories including Business and Economics, Literature,

Film, and Culture. Participants were able to use technology to create visual aids for their presentations, as well as, film themselves to present as if they were still on campus. Meredith's first every CSA day was a success despite the Coronavirus challenges, proving that the Meredith community is as strong and determined as ever! If you have not already had the chance to view all of the interesting presentations available on the Virtual CSA Day YouTube page, below is the link to do so. <https://www.youtube.com/channel/UCEZ87JqxTcxW8DhRITcwrMg/featured>

## Honors Trip Update

Photo Courtesy of Google

Every year, Honors students travel to a different destination to take mini courses and explore on the fall trip. This year, Honors will be travelling to Asheville, North Carolina. Even though spring semester came to an unpredicted close, the Honors trip committee has been working diligently to plan an amazing trip for honors sisters. It has been decided that the trip will now take place in the spring of '21 instead of the fall of '20. This temporary adjustment to the "Fall" trip also gives fall sport athletes the opportunity to go on the annual honors trip. We can't wait to travel to Asheville. Be on the lookout for future updates about the Honors trip!

## SAS Awardees

Another special congratulations to the Honors Study Abroad Scholarship Awardees, Laura Corum and Alexandria Rozensweig. We can't wait to see where your future travels will take you!
