

Faculty, staff, and students,

As announced on February 7, Meredith College has made KN95 masks available to help supply [high-quality masks](#) to students and employees. **Each Meredith community member is eligible to receive one free pack of 10 KN95 masks.**

Masks are being distributed through the Campus Store, located on the first floor of the Cate Student Center.

In order to receive your free allotment of masks, come to the store and show your CamCard to a sales associate. Meredith's free mask allotments are available through the physical store only. Store hours are Monday - Thursday 8:30 a.m. - 5 p.m. and Friday 8:30 a.m. - 4 p.m.

Hundreds of these masks have already been distributed. **Students and employees who have not received their masks yet are encouraged to do so.**

Update Your COVID Vaccination Information

Campus community members who have completed their COVID-19 vaccination series, including the recommended booster, are reminded to submit that information in Meredith's COVID portal, <https://cvdsubmit.meredith.edu/>.

This will allow Meredith to keep our campus vaccination rate information up to date. Having accurate information helps campus leaders make informed decisions on COVID safety protocols.

Thank you for your attention to these important updates.
