MC STUDENT NEWSLETTER FALL 2022

Welcome to the 2022 - 2023 Academic Year!

Dear Meredith Students,

We hope that you are looking forward to embarking on a wonderful and vibrant year at MC so that we can grow and learn together. We are busily preparing for the start of the new academic year and, as always, we cannot wait to see all Meredith students - new and returning - on campus.

This student newsletter highlights news and information as you plan for the 2022 fall semester. If you have any questions or need any assistance or support, please contact campus resources listed in the newsletter, in the campus directory or on the Meredith College website.

Best wishes for a successful year!
Ann Gleason
Dean of Students

MC STUDENT NEWSLETTER FALL 2022

Registration

Monday, August 1, 2022

Online pre-registration will close on Self-Service. Students who have not registered for any Fall classes by August 1 will need to make payment arrangements through the Accounting Office and then register for classes using the virtual Registration Card located on the Registrar Office website. Proof of payment (a notification from the Accounting Office) is required to register. (Note: Adding and dropping of courses on Self-Service will continue for those students who have already pre-registered.)

Tuesday, August 30, 2022

Last day to add or drop a class (no grade) in Self-Service. Requests to make retroactive changes in registration after this date require an appeal to the Academic Dean or Provost (as appropriate), or approval from an advisor to drop a class/classes with a grade of "W".

Student Success Center

In the last few months, several offices that provide advising and coaching services for Meredith students combined under one umbrella center called the Student Success Center (SSC). Directed by Dr. Tina Romanelli, the Student Success Center includes academic advising, student success coaching, tutoring and testing. With offices located both adjacent to the Cate Student Center in first floor Park and on the lower floor of the Carlyle Campbell Library, the SSC team promotes equity through academic and personal achievement through one-on-one and small group consultations that encourage student self-leadership and advocacy. The Student Success Center partners with students, faculty, and staff across campus to increase student satisfaction, success, retention, and graduation and may also conduct presentations on learning styles & study skills, academic planning, time management, goal setting, and major exploration.

Staff in the SSC are the following:

Tina Romanelli, *Director*, cromanelli@meredith.edu
Victoria Munn, *Associate Director*, vmmunn@meredith.edu
Steven Lemmons, *Academic Advisor*, jslemmons@meredith.edu
Lynn Ghodbane, *Success Coach*, lghodbane@meredith.edu

Meredith College will strive to provide students with opportunities to engage in campus events outside the classroom while mitigating the spread of COVID-19 and building an environment that puts fewer people at risk. Given the fluid nature of COVID-19, event plans may need to be adjusted as conditions change to support the health and safety of the campus community.

Student Leadership & Service

What can you gain by participation in one of Meredith's 101 student organizations? You can gain career-related hands-on experience, learn and practice leadership skills, develop relationships, and have fun. Be sure to attend the Student Organizations and Services Fair on Wednesday, August 24th from 5-7pm at the Meredith Mall. Meet organization and department representatives to ask your questions about what they have to offer you.
You'll also want to look for information regarding some of our leadership development and service programs like the Emerging Leaders Seminar and SPLASH! Into Service. If you will be serving as an officer in one of Meredith's student organizations this coming year, you are asked to attend one of the Officer Training Workshops on September 7th and 9th. Look for more details in August.

New Building on Campus!

You may have heard about or seen the construction of the new academic facility near the Weatherspoon Gymnasium/Lowery Fitness Center - this building is slated to be open for the start of the fall 2022 semester! The building provides new, cutting-edge instructional space for Meredith's growing communication and health, exercise & sports science programs. The building includes a state-of-the-art recording studio, a podcast room, three editing rooms, two spacious exercise and sports science working classrooms, a collaboration room, and additional classrooms.

The building is fully accessible and has energy-saving features such as LED lighting and a special roof that will reduce building cooling needs. To add to the beauty of the building, the lobby has a water feature and fireplace (and wonderful photo opportunities!). There will also be patios on the front and side of the building and 18 offices for department heads in communication and health, exercise, and sports science, and athletic staff.

Watch a virtual walk through of the building. Check out the new building when you are back on campus!

Introducing Liliana Madrid, DEI Coordinator:

Meredith College hired Liliana Madrid in January 2022 to serve as the College's first Coordinator and Special Assistant to the President for Diversity, Equity, and Inclusion (DEI).

In this newly created position, Madrid supports people from a rich diversity of backgrounds–including but not limited to diverse academic experiences, socioeconomic levels, cultures, abilities, sexual orientations, genders, races, and ethnicities. Reporting directly to the president, the Coordinator for DEI champions policies and actions that reaffirm the College's lasting commitment to being a healthy and inclusive environment.

Prior to coming to Meredith, Madrid served as the director of DEI for the division of academic and student affairs at NC State. She has also held roles supporting multicultural students at UNC Wilmington, Lafayette College, Moravian College, and Bay Path University. Madrid holds a B.A. in political science from Trinity College and an M.S. in higher education administration from Bay Path University. She is currently earning a doctoral degree at NC State in educational leadership, policy, and human development.

Liliana has hit the ground running since she arrived at Meredith with meeting a large number of students, faculty and staff and finding out more about the MC community. She coordinated the Summer Symposium program this summer and she is also helping to create a campus bias incident reporting process and response team, among other programs. Stop by Liliana's office on 1st floor Park Center to welcome her to MC and let her know how you can help to promote DEI at MC.

New Team Members in the Dean of Students Office

Two new team members have joined the Dean of Students Office, 2nd floor Park Center, in 2022.

Lisa Brown

Bailey Dunn-Phillips

Lisa Brown (she/hers) is the new Co-Director of First Year Experience and she coordinates programs for new and first year students such as orientation, Discovery sessions, and Alpha Lambda Delta (the honor society for first year students). Lisa earned her bachelor's degree from Bucknell University (PA) and her master's degree in Counseling in Higher Education Administration from University of San Diego. Lisa has had experience in higher education administration and in the non-profit sector.

Also joining the DOS team is Bailey Dunn-Phillips (she/they) in the Assistant Dean of Students role. Bailey is a 2014 Meredith graduate and earned a master's degree in Student Affairs in Higher Education at Colorado State University and was the Director of Student Services at Brody School of Medicine (ECU) before joining the DOS team in spring 2022 as Student Support Specialist. Assistant Dean Dunn-Phillips advises Honor Council, provides support and assistance to MC students, and will serve on the soon-to-be-launched bias reporting and response team for the College.

Lisa and Asst. Dean Dunn-Phillips look forward to getting to know you to support you at Meredith, along with the rest of the DOS team.

Graduation Rates

Meredith College is pleased to report graduation statistics for the students who entered as full-time, first-time freshmen in Fall 2015. In compliance with the Student Right-to-Know (SRTK) Act of 1990, the report reflects the percentage of students who complete within six years (150% of the normal time to completion). However, it is significant to note that most Meredith graduates do not take six years to earn their baccalaureate degrees. Meredith has also chosen to report its four-year and five-year average graduation rates for full-time, first-time students.

The Meredith College goal is for the 4-year and 6-year student graduation rate to surpass the median for both NCICU schools and schools nationally with a baccalaureate Carnegie classification. In recent years, Meredith has consistently exceeded this goal.

	Fall 2015 Cohort	**4-Year Averages (2012-2015)**
Number of Entering Students	438	433
Graduating in 4 or fewer	58.0%	57.0%
Graduating in 5 or fewer	67.8%	64.1%
Graduating in 6 or fewer	**68.5%**	**64.9%**

Meredith Campus Dining

At Belk Dining Hall, you'll find an abundant variety of fresh foods, prepared your way each day. Our team stands ready to serve up a changing menu of specialties cooked to your liking! Daily features include traditional, home-style meals and grilled favorites. Also enjoy a rotisserie, soups, a full service salad bar, deli, and fresh made desserts. We also customize menus for diet specific students (vegetarians, vegans, & gluten-free) just to name a few.

All meal plan members are provided with a reusable food container (upon request) free of charge to be used to take a meal "to-go." If a student does not have their container, they may purchase a to-go container at any time at the register for or $5 (replacement, reusable one). Students are required to wash and bring clean to-go containers into the dining hall for use. This is the only to-go container in use at the dining halls. Non-meal plan members may purchase a container from the cashier at Belk Dining Hall for $5.00.

Outside food, dishes or containers are not permitted in Belk. Personal dishes and cups may not be used in the dining hall because of health department regulations.

The BeeHive Café

Located on the 2nd Floor of the Cate Student Center, the BeeHive Café is the retail location where you're able to use your Dining Dollars to eat and perfect for a quick bite or a leisurely meal with friends. This retail Food Court has everything from fresh made-to-order hamburgers at Grille Works Burgers and Fries, to a wide variety of sandwiches and wraps at Sandwich Shack. Fuel up with a cup of your favorite Starbucks Coffee at our We Proudly Serve Starbucks. If you're in a rush, the BeeHive offers a selection of salads, sandwiches and wraps, and fresh fruit cups.

Food for Thought POD (Provisions on Demand)

Located on the 1st Floor of the Carlyle Campbell Library, the POD is a dining location where you're able to use your Dining Dollars for a quick bite or snack with friends.

*Please note: Belk Dining Hall, Food for Thought POD, and The BeeHive Café service hours may be adjusted because of inclement weather or modifications due to COVID-19. Changes will be posted in Belk Dining Hall and on the Campus Dining website.

Dining Dollars

Dining Dollars work like a bank debit card and are used for purchases in the BeeHive Café or Food for Thought.
If your Dining Dollars run low, just add to your account with cash, check, money order, or charge to your student account. When you want to replenish your Dining Dollars, go to the Accounting Office in Johnson Hall or visit our website www.meredith.campusdish.com.

Meal Plans

Whether you're eating on campus every day or just a few times a week, you could be saving money with a meal plan. Many options help you choose the plan that offers the best value for your busy schedule. Excellent service and clean environments make dining more pleasant and convenient locations on campus mean you don't have to give up your parking space. A meal plan might just make dining the most relaxing part of your day! Commuter Meal Plans provide you with a set allotment per semester of all-you-care-to-eat meals in Belk Dining Hall PLUS Dining Dollars to spend in the BeeHive Café and Food for Thought. Depending on the plan, you can save up to 20% off the regular door rate at Belk Dining Hall when you use a meal plan instead of cash or Dining Dollars. Additional blocks of 10 meals may be added at any point in the semester if you're running low. Your CamCard identifies you as a meal plan member and must be presented at each meal. All students residing in the apartments and commuters are eligible for these plans.

Study Abroad

Study abroad is an essential component of the Meredith academic experience. Earn academic credits abroad and gain valuable skills for careers in the global workforce. Study abroad sparks the development of independence, confidence, self-awareness, and appreciation of cultures. Meredith offers both semester and summer programs throughout the world and the key to studying abroad is to start planning early!

The Office of International Programs (OIP) provides regular study abroad workshops and one-on-one advising to help students find the semester or summer program that best aligns with academic, career, financial, and personal priorities. Brochures and application materials for upcoming summer and semester programs will be available in Lux 124 and at http://Meredith.edu/studyabroad in late September. Connect with the OIP via email at internationalprograms@meredith.edu and on Instagram @MCGoGlobal.
