

FRANCE: THE VIVE LA DIFFÉRENCE TOUR

JUNE 5-17, 2023

YOU ARE INVITED

Join the Meredith Travel Program for a customized tour of France, which will include the best of Paris and beyond.

Audrey Hepburn said, "Paris is always a good idea." She could equally have said, "France is always a good idea," especially if delicious food and wine, stunning art and architecture, and breathtaking nature are things you are passionate about.

Please join us on this thirteen-day tour of France, which juxtaposes country and city, centuries-old museums and brand new attractions, and ancient and modern art along with the places that inspired them. We will share spectacular landscapes, amazing architecture, and wonderful cuisine.

From the urban heart of France to its stunning coasts, featuring dining in fine city restaurants, wine tastings in the country, well-known cultural sites including the Louvre and Monet's home in Giverny, and historic places that range from Medieval to modern, this tour will include new experiences for everyone.
